### Is Your Weight Unevenly Distributed? Are You Afraid That Dieting Will Make Your Face Look Older? Do You Overeat at Parties? Then Here Are Medical Solutions to Each of These Problems.

And — to repeat — when you follow this Final Diet, you can lose exactly as much weight as you wish . . . you can lose 20-40-60-80—even 100 pounds . . . and never gain an ounce of it back.

Now let us examine some of the quiet remarkable side effects of this diet — documented bonus-benefits that no crash-diet on earth, for example, could ever get you.

In the first place, because of the scientific nature of this diet, it has proven—in case after case — to be of special help to men and women whose excess fat is primarily on or below the waist.

Secondly, because this diet is NOT a crash diet, NOT a torture diet, it does NOT cause the skin of your face to collapse, wrinkle and furrow in that terrible way that crash diets so often do.

On the contrary, if you follow this Final Diet precisely, your face will look younger from almost the very first week. And you will lose exactly as much weight as you wish . . . you can lose 20-40-60-80 — even 100 pounds . . . and never gain an ounce of it back.

And you will be able to lose this weight, and keep it off, despite the parties you attend—despite the business or club lunches and dinners—despite all the "social eating and drinking" everyone of us must do, every week of our lives!

Because this is the first diet you have ever seen that gives you specific techniques for dealing with each one of these "food traps". That allows you to satisfy yourself AND your diet AND your companions — without calling the slightest attention to the fact that you are dieting, and by actually allowing you to SEEM to eat and drink as much as they are, when you are really LOSING POUNDS AND INCHES at the very same moment that they are gaining them!

Yes, even if you attend another business lunch, every day of the week, when you follow this Final Diet, you can lose exactly as much weight as you wish . . . you can lose 20-40-60-80 — even 100 pounds . . . and never gain an ounce of it back.

In fact —

### Many Patients Found This Approach so Effective that They Lost Twice as Much Weight as They Had Originally Hoped to! Here's How They Kept That Weight Off. And Why You Can too.

The proof of this diet, of course, is in the results it produces for YOU. That is why we allow you to read it from cover to cover AT OUR RISK, and why you can try it for thirty full days thereafter without gambling a penny.

Let us make this perfectly clear: The first thing you do when you receive this book, is write down the exact amount of weight you want to lose, right inside it. This may be 10 pounds — 20 pounds — 40 pounds or more. It makes no difference.

Then, that same day, you begin the diet. But with THIS thought:

Every one of the thousands of successful patients who have traveled this road before you, have written down the figure that they wanted to lose. But once they got started—once they learned these new eating habits — many of them simply went FAR BEYOND the weight-loss figure they had first thought would be "perfection" for them!

For example, one patient wanted to lose 10 pounds, and be as thin as he was five years before. But as the diet developed, and the fat melted away from his body, he decided to GO ON and lose 20 pounds, and be as slim as he was on the first day he was discharged from the army!

Why did these patients decide to lose more, and more, and even more weight? FOR THE VERY SAME REASON THAT THEY DID NOT PUT THIS WEIGHT BACK ON AGAIN! Because by following this diet precisely, these men and women LEARNED NEW EATING HABITS. They literally retrained their appetites! They destroyed the fat-causing food patterns that had kept them over-weight for years!

This was by no means easy — but they did it, and you can do it too! And once you have done it, it will be practically impossible for you to eat in the same old fat-causing way that you are eating today!

Once you follow this Final Diet precisely . . . once you put yourself on the road to making these scientific new eating habits your guides to health and attractiveness . . . then you can lose exactly as much weight as you wish . . . you can lose 20-40-60-80—even 100 pounds . . . and never gain an ounce of it back!

Scientific Weight-Loss Charts—the exact amount you can expect to lose each week. And why—as has often happened—if you lose twice or even three times the expected amount in the first week or two, you must consider this a lucky bonus, and guard against going off the diet the very next week!

A strict diet in a strict book? Yes! BUT ONE THAT PRODUCES RESULTS! That gets you off the weight-loss, wait-gain see-saw for good! Prove it yourself, today!

This advertisement pulls no punches. It offers you no impossible dreams. It simply gives you a set of facts about permanent reducing — about taking off weight and NEVER putting it on again — that, though they are demanding, are also so thrilling that they may be hard to believe at first.

Let us state the most vital fact over again — right here:

If you follow this Final Diet, you can lose 20-40-60-80 — even 100 pounds, and never gain an ounce of it back.

We are going to repeat this statement of fact, over and over again throughout this advertisement, so you can never lose sight of it.

If you follow this Final Diet, you can lose 20-40-60-80 — even 100 pounds, and never gain an ounce of it back.

This is the essential fact. Now let us go on with the details —

Let us introduce this puzzling fact right at the beginning.

What you are about to be given in this book is a strict and precise diet — which carefully and scientifically controls your every eating moment — but which has the surprising result of making many of your weight-loss problems far less difficult than you ever dreamed they could be!

### Medically Proven on Thousands of Patients. It Can Give You A New Body and A New Life— If You Follow It So Religiously That You Even Eat When It Says to Eat Even if You Don't Feel Hungry!

Here are a few examples of the "pleasant surprises" you will find throughout this book:

Although, of course, this diet forces you to eat less food overall, it may actually force you to eat MORE food at certain times of the day. For example, if you are like most over-weight people, you are simply going to have to eat MORE for breakfast, whether you want it or not. And this diet allows you OVER THIRTY different kinds of snacks—one between every meal, and one every night before you go to bed.

There is no longer any need to try to STARVE yourself into a weight loss. Because, when you follow this Final Diet, you can quite normally lose up to 100 pounds a year — and never gain a single ounce of it back.

Certain foods, of course, are omitted. But certain other, surprising foods are quite actively included. For example, you are allowed ice cream up to three times a week. (Watch your friends' eyes pop open with astonishment when they see you eating that delicious ice cream dessert — and STILL shedding inches and pounds!)

And, at the same time, you'll have sandwiches for lunch, and, if you wish, a cocktail before dinner and wine with it. In other words, there's no punishment in this diet — only scientific eating.

And — very important — if you make a mistake one day (as this doctor KNOWS you're going to make mistakes), and overeat, then he simply does NOT permit you to cut back on your food the next day to "make up" for it! This is the fatal mistake most dieters make that destroys their diet. Instead, he forces you to eat YOUR FULL DIET the next day, and forgive yourself, and go on loving weight.
