Elorde Retains Title

Filipino in Handy Win Vs. Bizzarro

MANILA (UPI) — Gabriel (Flash) Elorde of the Philippines, fast-punching world junior lightweight champion, defeated Johnny Bizzarro of Erie, Pa., Saturday night in a 15-round title fight at Rizal Memorial Stadium.

The 27-year-old champion won a unanimous decision in his fifth successive title defense since he took the crown from Harold Gomes in 1960.

Bizzarro, 24, has been the top challenger.

There were no knockdowns and few solid punches, but Bizzarro opened a cut on Elorde's forehead in the fifth round when he unintentionally butted the champion.

When Bizzarro butted the Filipino again moments later, the referee ruled that he should be penalized one point.

Bizzarro was the aggressor in the first round, and Elorde didn't land a solid punch until the third, when he connected with a series of lefts and rights.

Elorde zeroed-in during the sixth and seventh round, but found the range in the eighth and ninth as he jolted Bizzarro with left hooks to the head.

After the 10th, which Bizzarro won on the strength of a powerful left to the head and straight right, the young American did not win a round. Elorde gave the crowd of 35,000 a chance to cheer in the 11th when he landed a left and right that brought blood gushing from the challenger's nose.

Referee Ireneo Gallegos scored it 74-64 for the champion. Judge Dr. Domingo Gaerlan made it 72-68 and Judge Hugidino Lim, 72-65.

Bizzarro appeared awkward at times but was extremely fast. He repeatedly ducked under Elorde's left and right hooks.

Elorde weighed in at the 130-pound limit and Don Elbaum, Bizzarro's adviser, charged that the challenger was the victim of a "fast count" on the scales.

Over Limit Charge

"Elorde was definitely over the 130-pound limit," Elbaum said. "He was leaning forward on the scale and the balancing bar never did stop moving." Bizzarro weighed 129 1/2.

Speedy Cabanela, in charge of the weigh-in ceremonies, said he counted "one, two, three" as required while Elorde was on the scales and that during that time the bar did not touch the top of the scales. He said that although the bar was moving it was going down and not up.

"That was the fastest one-two-three I ever heard," Elbaum said. "Anyplace else in the world the fighter has to stand perfectly still and the balancing bar has to remain stationary during that time."

He said he planned a formal protest to World Boxing Association officials but doubted that it would succeed.

A crowd of 35,000 watched the fight.

TIME OUT

"How much longer do we make him nervous by delaying going into the ring, Eddie?"

Sports Fans Ready For Sunday Dinner

Sports fans in Western Nevada and the nearby Sierra-California region are ready for next Sunday's big public sports banquet of the year, the 8th annual Athlete of the Year dinner to be staged by the Sierra Nevada Sportswriters and Broadcasters Association.

The event will be held in the Circus Room of the Sparks Nugget, with guests of honor to be: Ed Pine, Jr., of the San Francisco 49ers pro football team, "athlete of the year;" William Harrah of Reno, "sportsman of the year;" and Lytle Damon of Virginia City High School, "coach of the year."

Dinner and the awards ceremonies are open to family groups and the affair annually attracts many of the ladies and youngsters, in addition to the men-folk.

Lynn "Pappy" Waldorf, former scout coach and currently chief scribe for the pro 40'ers, will be principal speaker at the dinner. State and municipal government leaders also will be in attendance as guests of the newspaper-tv-radio sports reporters.

A no-host cocktail session is scheduled to begin at 5:30 p.m., with dinner slated for 6:30 p.m. The Andrews Sisters will headline the show in the Circus Room, with the reporters' awards ceremonies to follow the dinner show.

In addition to the three top men at the table of honor, awards will be presented to the 1963 "athlete of the month" winners.

Colts, Cardinals Trade Farmhands

HOUSTON (UPI)—The Houston Colts announced two player personnel changes in farm clubs yesterday.

Colt general manager Paul Richards said had traded Bobby Tiefenauer, Oklahoma City relief pitcher, to the St. Louis Cardinals organization for Don Ferrarese, a southpaw reliever.

Ferrarese will be assigned to Oklahoma City. Tiefenauer will be placed on the Cards' "AAA" farm club at Atlanta.

I'LL MAKE YOU A MENTAL WIZARD IN ONE EVENING!

Yes! Here at last is your chance to gain the THINKING - MACHINE MIND you've dreamed of... so easily and quickly that you'll be astounded... and do it without risking a penny!

By Harry Lorayne

Let me explain! I don't care how poorly organized your mental powers are today—how difficult it is for you to concentrate... how bad your memory may be... how much a prisoner you are of crippling mental habits... how long it takes you each morning to get your mind going with additional speed and certainty!

I BELIEVE THAT YOUR MIND IS WORKING TODAY AT ONLY 5% TO 10% OF ITS TRUE POWER—SIMPLY BECAUSE YOU DON'T KNOW THE RIGHT WAY TO FEED IT DIRECTION!

Simply because you don't know the right way to feed your mind problems—so clearly and logically that those problems half-solve themselves before you even touch them!

Simply because you don't know the right way to feed your mind facts, figures and names and faces—so they burn themselves into that mind in such firm-form that you remember them forever!

Simply because you don't know the right way to feed your mind a FULL CHARGE OF ENTHUSIASM—so that it rears up instantly every morning... so that it operates at full power, not for just a few brief minutes each day, BUT FOR AS MUCH AS 8 TO 10 FULL HOURS AT A STRETCH!

Mind Power Is A Trick! I'll Teach It To You In One Weekend!

Yes! Problem - solving is a trick! Concentration is a trick! Memory is a trick! Habit-breaking is a trick! And, above all, generating the will power that means success IS A TRICK! Mind power can be made to order — you don't have to be born with it! The secret of a fast-acting, full-power, THINKING MACHINE MIND is as simple as tying your shoelace! And I'm willing to prove it to you without your risking a penny! Here's how!

All I ask from you is this. Let me send you—at my risk—one of the most fascinating books you have ever read. When this book arrives set aside a few moments each day for the following weekend. Glance through just one chapter. And get ready for one of the most thrilling weekends of accomplishment in your entire life!

The Very First Hour After You Pick Up This Book, You Will Perform A Feat Of Mind Power That Will Astound Your Friends!

What you are going to do in that very first hour you receive the book is this. Turn to page 144. Read three short pages—no more! And then, put down the book. Review in your own mind the one simple secret I've shown you—how to feed facts into your mind so that they stay there—permanently—as long as you wish!

Then put this simple trick to work for you—that very same hour!

Call in your family or friends. Ask them to make a list of any TWELVE facts, names or objects they wish, as fast as they wish. Have them write down the list so they won't forget it! But, as they give you each fact, YOU are going to perform a simple mental trick on that fact that will burn it into your mind, IN PERFECT ORDER, as long as you wish!

And then—INSTANTLY AND AUTOMATICALLY—you are going to reproduce that list, backwards and forwards, in perfect order, exactly as if you were reading that list in your friend's hand! And you are going to have one of the most exciting moments of your life, as you watch the expression on those people's faces as you reel off those facts as though they were flashing on a screen on the inside of your memory!
