

Now! The World's Greatest Minds Force-Feed Their Knowledge Into Your Brain—Automatically!

Yes! How would you like to borrow the Memory Power of HARRY LORAYNE—the world's Number One Mental Wizard, who can remember the names and faces of up to 700 people after meeting them only once!

Or have LESLIE LE CRON—the "super-hypnotist" who teaches doctors how to control other minds—show you how to liberate the *permeant intellectual and personal power of your unconscious mind. INSTANTLY. SIMPLY BY DOING NOTHING MORE THAN PUSHING A BUTTON!*

Or have a dozen more of the country's top intellectual, financial and medical leaders POUR "AUTOMATIC KNOWLEDGE" INTO YOUR BRAIN as simply and logically and inevitably as this...

Turns A Tape Recorder Into A Private Tutor, Teaches You Conscious Facts At The Same Time That It Trains Your Subconscious Mind.

Just picture this revolutionary breakthrough to yourself! Let's say that tomorrow morning you want to learn Harry Lorayne's amazing Master Memory Code, that enables you to memorize the names and telephone numbers of as many as FIFTY people, without error.

Or you want to master every detail of the thrilling step-by-step audio course on developing "Money-Making Radar" so you can scoop up golden opportunities, instantly and automatically before the men around you even recognize that they are there!

Or you wish to take the vital points of that 12-page memo you received last night, and burn it into your memory so perfectly that you can dazzle your associates with your insight into it, this very morning! How can it be done? Before this electronic breakthrough, it would have been almost impossible! It would have required days of study... super concentration... hour upon hour of painful memorization!

But Now Look At How Easy It Is!

All you do is this:

Simply take the material you want to burn into your memory—for example, the Seven Golden Money Making Rules—AND RECORD THEM ON THE SPECIAL "AUTOMATIC-MEMORIZER" WE SEND YOU AS JUST ONE PART OF THIS ELECTRONIC, AUTOMATED LEARNING PROGRAM!

That's all you do! Now your "Electronic Teacher" takes over! Push the Starter Button any time you wish—let's say in that "wasted" three-quarters of an hour while you're driving to work AUTOMATICALLY, without your making another adjustment, this AUTOMATIC-MEMORIZER repeats those seven golden rules over and over every twelve minutes.

Think of it! Now concentration is no longer required! Now any necessity for study has completely vanished! Now will power can be thrown out the window! Go ahead and "concentrate" on your driving. Let your mind "wander". Make no attempt, if you wish, to "consciously" try to memorize these rules. But realize this vital fact: That every simple moment you are driving, this information is being "force-fed" into your mind!

AUTOMATICALLY—over and over again—they irresistibly pour into your brain! AUTOMATICALLY—no matter what else you are doing—your mind finds it will concentrate on the information the recorder is feeding to it!

AUTOMATICALLY—that material is absorbed by your memory is stored up in your memory like a giant file cabinet—ready to spring to your lips the instant you need it! To give you these vital money-making facts at your finger tips 24 hours a day... to dazzle others with your ability to scoop up opportunities that completely elude them... to give you the speed and sureness and fortune-building accuracy of a "Living Computer".
