

HOW TO BUY MONEY...CHEAP!

After years of research by one of America's top financial experts, here they are! **101 Easy-Money Sources** you probably never dreamed existed before!

Little-known, low-cost Money Reservoirs that you can tap tomorrow to beat the high cost of living... borrow your way out of debt... even obtain free credit without paying interest!

Yet the odds are that you're not familiar with a single one of them today! Take this sixty-second test right now, and see how your dollar-stretching skills compare with some of America's top money managers:

1) Can you name the one loan source that will give you up to \$3,000 in five minutes—with NO inquiry made as to your financial ability, place of employment, or purpose of loan. And with every detail kept in the strictest confidence—with no loan forms, investigations, co-signers or endorsers.

2) There is a simple three-minute strategy that literally forces stores to not only cut their prices to you, but let you use their credit for nothing. Do you know how and when to use it?

3) Are you aware that there are such things as *No-Installment Loans*, where you can borrow big money for an extended period, and only pay a lump sum at the end.

4) Do you know how to convince a bank to pull you out of unbearable debt, for as little as *ONE-THIRD* the cost a finance company might charge you.

5) Or, if you want to live better, do you know the ingenious idea that may give you a summer home—today—without even a down payment, or one penny out of your pocket.

6) And most important of all, do you know how to make even the toughest creditor "stop the clock" for you—stay the interest and simply let you pay off the principal!

SOME OF AMERICA'S TOP MONEY MANAGERS, READY TO SOLVE YOUR CREDIT PROBLEMS WITHOUT COST!

Let us make this perfectly clear: the six "dollar-stretching, credit-multiplying secrets" you have just read—plus those you will learn about on this page—all have this one unique feature in common:

They are *PROFESSIONAL Money-Obtaining Strategies*—of the kind used by huge corporations and America's top-paid financial consultants! And, to our knowledge, almost completely unknown to the average man or woman!

They are entirely different ways of borrowing money... beating the high cost of living... breaking your way out of crippling debt for good... actually letting **OTHER PEOPLE TAKE OVER YOUR MONEY BURDENS**, at a cost so low you may not at first believe it possible!

Here are just a few of these ingenious techniques—as they are revealed to you in an eye-opening new book that not only places at your disposal the brains and experience of the country's leading financial writers and tax editors—but the top executives of nation-wide banks, life insurance companies, loan societies and credit unions!

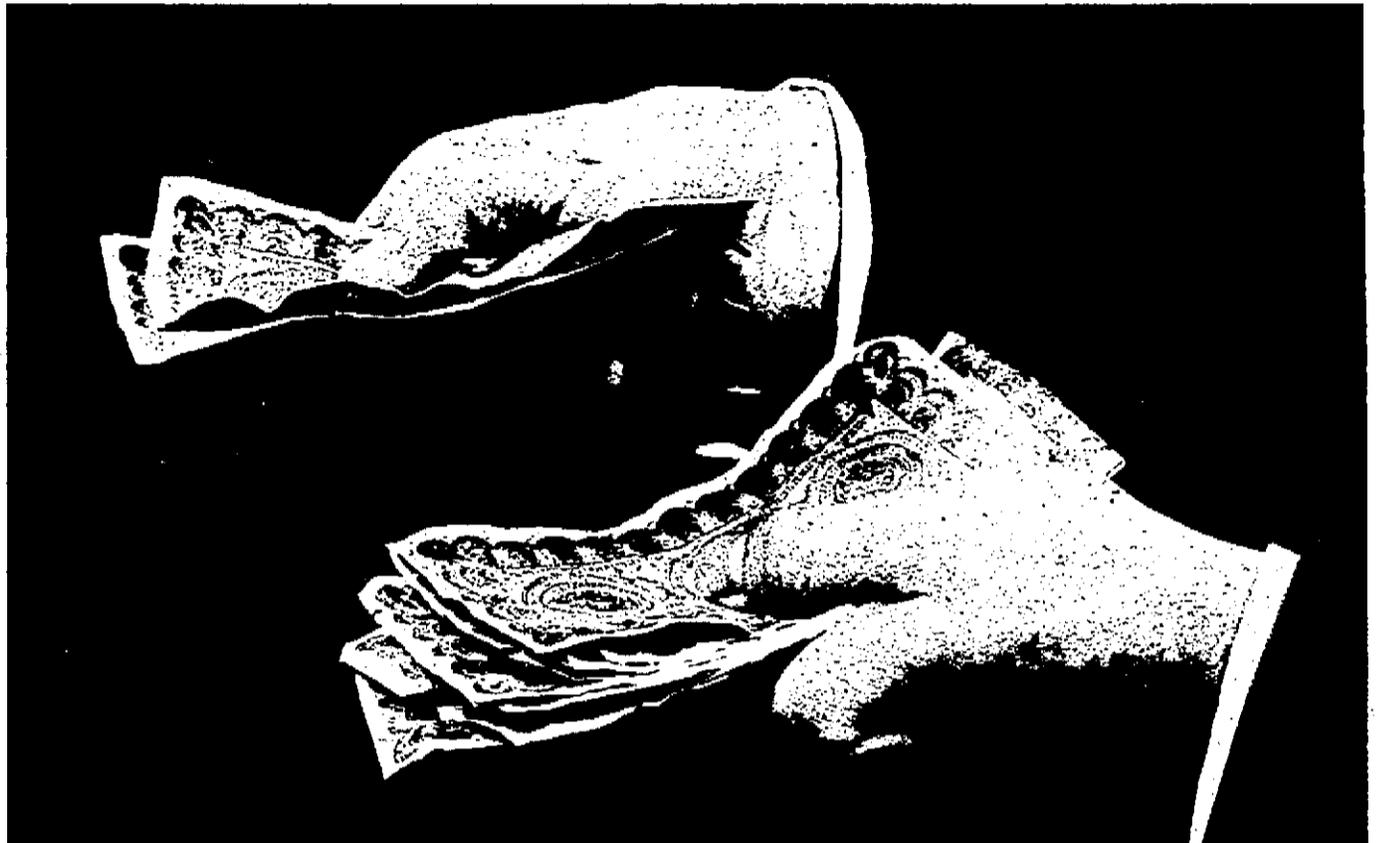

Here is what these Professional Money-Managers can do for YOU—Tomorrow:

A MILLION-DOLLAR LOAN ORGANIZATION THAT LENDS YOU MONEY — FREE!

(Read its name, and the full details of this NO-COST, NO-INTEREST credit on page 47. And it's just the beginning!)

Here, as just another example, is how to get other people to substitute their credit for yours—a technique so potent that it can even be used to "rent other people's stock," and start building yourself a permanent capital base, overnight!

Here's why thousands of people are completely

\$3,000 IN FIVE MINUTES

—without a single credit reference or co-signer! Only one of the smart-money ways of getting the cash you need—NOW! Read the details on this page!

wrong when they say that they "can't borrow from a bank." Try this simple strategy, and watch the barriers fall! And then go on, and try for preferred rates (yes, they are negotiable—even with top banks—IF you know these facts).

What to do if you're really strapped—if sickness or bad luck has sharply reduced your income, and you just can't keep up your present payments. Here's how to negotiate the time you need to pull yourself back—pay "interest-only" for months on end... skip payment on your mortgage... without foreclosure or penalty... avoid dunning or collection... and even keep your credit rating as high as when the money was pouring in!

(This simple strategy is so reasonable and so effective that—even if you're pushed into bankruptcy—it may actually protect your possessions, your insurance policy, the roof over your head and perhaps even your credit rating!)

But these Get-Out-of-Trouble-Fast techniques are only the beginning! Now come the real savings!
