

THE REAL DOPE...FREE

The real dope...to buy stock exchange securities for 20% to 30% under the official quoted price

The real dope...to collect interest from two money market funds using the same money!

The real dope...to know bills it's okay to pay late

The real dope so you can buy little-known government treasury bills that pay 10% to 12%

The real dope on the secret, legal ways to hide your assets from the IRS

The real dope on what you should never, ever eat on an airplane

Now you can get the real dope every other week —when you send for your FREE subscription to Bottom Line/Personal.

That's me pictured here...Martin Edelston, president of Boardroom, Inc. With a \$100 million company that has only 79 employees, I do know a lot about making money.

And I'm ready to share the real dope with you...how to live in tricky times...how to *do well* in tricky times.

On Wall Street, I'm known as the Guru of Green. On Main Street, I'm known as the publisher of the fastest-growing biweekly magazine in America, **Bottom Line/Personal**. In 1987 we had 215,000 subscribers. Today, we have about 2,000,000 fanatically loyal subscribers. That makes us larger than Business Week, Forbes or Fortune.

Every other week **Bottom Line** brings you the real dope you need to live a richer, happier, healthier, hassle-free life...

- How to buy items at sale prices—even when they're not on sale
- How to double your investment returns —without doubling your risk
- How to get VIP treatment in hospitals... all patients are not treated equally
- How to deduct cost of hobby as business expense
- How to buy a house with no down payment
- How to claim parent as dependent with-

- out providing 50% of support
- How to outwit mugger in self-service elevator
- And more...so much more, including...**
- How to make your keys hard to duplicate and your signature almost impossible to forge
- How to make money in a declining stock market. Done all the time by Wall Street professionals, and it's easier than it sounds
- Asia's newest stock exchange that will make fortunes for sophisticated investors within the next two years
- How to beat the high interest rate on unpaid credit card balance
- How to choose the right vacation cruise. New insiders' rule of thumb for predicting average age of fellow passengers. Best cabins on any ship if you don't want to be seasick
- Credit cards that can start charging interest before you even get your bill
- Your daily newspaper's weather map... key to a fortune in grain futures
- No-risk mutual funds
- Tax-free capital gains
- How to deduct all your medical bills without first subtracting 7.5% of gross income.

Lots of people do it and never get in trouble. What's more, their ploy is perfectly legal

All in plain English for people who want to do everything right.

It's all in **Bottom Line**, the biweekly magazine that puts your personal affairs on a businesslike basis. And you can try it FREE.

- How thieves deactivate burglar alarms. Changes you should make in yours
- What never to keep in your safe deposit box. Never. And how to stop the state from sealing it
- How much to tip so you'll never look like a sucker—or a tightwad
- Legal way to take tax deduction for cost of commuting to work
- Numbers that should never be used for combination lock. Professional burglars try them first
- How to know when it's time to sell a stock, recognize a real downward trend, get out before issue takes big tumble
- Why couples who signed mutual wills should tear them up and draft separate ones
- Promises not to believe in package tour brochure
- Best time to get standby seat on any airline
- How to check in or out of crowded hotel without standing in line
- How stockbrokers unload securities from their own inventory at higher than

market price. Evidence is buried in fine print on confirmation slip

- Best time of year to look for bargains at auction houses
- Most dangerous tax audit comes right after you die. How to fight back from the grave
- Costs not listed in health insurance contract can be covered if you know the ropes
- Add up what you spend on daughter's wedding and use it to reduce your income tax
- What never to tell an insurance adjuster. First thing said after loss can be worst mistake
- How to accurately anticipate changes in the Federal Reserve prime rate
- How to deduct family vacation as business expense. Possibilities your accountant never showed you
- Best-value health insurance companies
- The seven most commonly overlooked tax deductions
- How to obtain bigger Social Security benefits for a spouse who never worked
- Start a home-based business for under \$500
- Withdraw money from IRA before age 59 1/2, pay the penalty, and end up way ahead. Beats any other form of saving
- How to beat the tax on Social Security benefits
- How to avoid a tax audit. What the IRS computers look for on your return and how to put them off the scent
- The best remaining tax shelter

All straight from the great experts through **Bottom Line/Personal**.

Try it free. See what you could have been missing.

What it's your business to know about the travel business...the insurance business...the nursing home business...the bank business.

What doctors and hospitals won't tell you. What the IRS doesn't tell you. What brokerage houses don't tell you.

How to pick the right wines, the right exercises, the right stereo system, the right credit cards.

- How to choose a nursing home. Smartest time for inspection tour
- Intensity of pain in dentist's office depends on time of day. *New discovery*: Hours when it hurts least
- How to translate medical jargon on patient's hospital chart
- How to use sleeping pills without becoming addicted
- How vasectomy changes body chemistry
- Stop a headache by pressing the right spot on your wrist. Try it and see for yourself
- Two famous cold remedies that make you sicker if taken together
- Safest place in any hotel room to hide valuables
- Skin caught in zipper. Quick fix

Bottom Line is a gold mine of bottom line intelligence.

Try Bottom Line absolutely FREE. There's nothing to buy now—or ever. No risk. No obligation. No hidden "catches." And that's the real dope.
